CompuPlus

Next form called Menu shows programs available to pick via dropdown control.

The screenshot shows a window titled 'ABC T...' with a light blue background. At the top, it says 'Select Program to Run'. Below this is a yellow dropdown menu with the text '---- Pick ----'. There are two buttons: a green 'Send' button and a red 'Exit' button. Below these is a small white text box with a vertical cursor. Further down, there are two more dropdown menus: one labeled '1 Printer' and another labeled 'Div: 1'. Below these dropdowns, the text 'Version: 2018.11.1.0' is displayed in red. At the bottom left, it says 'User: 1', and at the bottom right, there is a 'CompuPlus' logo.

When program selected from list, new form is initiated.

The screenshot shows a window titled 'StkTake - Versio...' with a white background. At the top left, there is a label 'WH:' followed by a text input field. To the right of the input field is a blue 'Add:' label and a checked checkbox. Below this is a large white area. At the bottom, there is a yellow bar with the word 'Warehouse' in blue. Below the yellow bar is a grey bar with the word 'Send' in black. At the very bottom, there are two buttons: a grey 'Save' button and a red 'Exit' button.

We call this prompt oriented UI.

First prompt is warehouse, validation happens at server.

Message send back if good or bad.

If warehouse is good then the next prompt is allowed.

The screenshot shows a window titled "StkTake - Versio...". The window contains a form with the following elements:

- A label "WH:" followed by a text box containing "FG".
- A label "Add:" followed by a checked checkbox.
- A label "Stk:" followed by an empty text box.
- A large empty text area below the "Stk:" label.
- A label "Stock Code" in blue text.
- A yellow rectangular area below the "Stock Code" label.
- A grey button labeled "Send" below the yellow area.
- A grey button labeled "Save" and a red button labeled "Exit" at the bottom.

Stock code next prompt.

The screenshot shows a window titled "StkTake - Versio...". Inside, there are several input fields and buttons. At the top left, "WH:" is followed by a text box containing "FG". To the right, "Add:" is followed by a checked checkbox. Below this, "Stk:" is followed by a text box containing "A100". Underneath the stock code, the text "15 Speed Mountain Bike Boys-Distribution1" is displayed, followed by "UOM: EA". Further down, "Qty:" is followed by an empty text box. A blue label "Quantity" is positioned above a yellow horizontal bar. Below the bar is a grey button labeled "Send". At the bottom, there are two buttons: "Save" on the left and "Exit" on the right.
